## Rappahannock Concert Association Concert Program Advertising Rates: 2018-2019 Season

We invite you to join the local businesses that support the RCA through advertising in our concert programs. Three hundred programs will be printed for each of our five concerts. This is a valuable opportunity to reach influential and financially capable members of our community who appreciate and support live performing arts.

Businesses who buy advertising of \$400 or more may ask us to place their logo on our home page, at <u>www.rappahannockconcerts.org</u>.
